

KIDS MEASURING GUIDE

STEP 1

1. Print out the correct size guide

Ensure your printer is set to 100% or 'do not scale', print out the guide and measure.

2. Place the chart on a hard surface.

Align heel on the guide and compare the longest toe with

3. Measure to the longest toe on both feet.

The outline of the guide is not for fitting - only measure the length of the foot.
Don't leave any extra room Toezone allows for this, The longest toe should sit within the green toezone area

Try it yourself; it's easy!
