Information

Important Safety Notice

This product is **not suitable for use by children** or by individuals with **physical, sensory, or mental impairments** that may limit their ability to operate the equipment safely, **unless** they have been given supervision or instruction concerning the safe use of the product by a person responsible for their safety.

Improper use may result in serious injury. Always ensure the operator is capable of understanding and following all safety instructions provided in this manual.

Safety Tips

Ensure that the mounting surface is strong enough to support both the product and any associated equipment.

DO NOT EXCEED THE MAXIMUM LISTED WEIGHT CAPACITY.

Always use an assistant or mechanical lifting device to safely lift and position heavy products.

Tighten screws firmly, but avoid over-tightening. Excessive tightening can damage the product and significantly reduce its holding power.

Maintain a clear area and keep a safe distance from moving parts when operating the product.

Use only for its intended purpose. Never stand, hang, or climb on the product.

This product is designed for indoor use only.

This product may contain small components that could present a choking hazard if swallowed.

Keep children away unless the product is intended for their use and all instructions and manuals have been thoroughly reviewed and understood by them.

Check that the product remains secure and safe to use at regular intervals (at least every three months).
