⚠ Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components, parts, hardware and tools listed on pages 3, 4.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft, level surface to avoid damaging the unit or your floor.
- We do not recommend the  use of power drill/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

HELPFUL HINTS

- Please read through the assembly instructions thoroughly before you begin.
- Check all fittings and panels against the parts list to ensure that you have everything before you start. In the unlikely event that any parts are missing, please contact your retailer immediately.
- Remove all fittings from the plastic bags and separate them into their groups in a bowl or other container to stop any small parts being lost.
- Do not use any tool that's not listed in these assembly instructions. The use of power tools is NOT advised, this could damage your product and cause over tightening to occur.
- Assemble the item as close to its final position (in the same room) as possible.
- Make sure you have enough space to layout the parts before starting.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people. Look for this logo
