Wall Fixing Instructions

IMPORTANT When drilling into walls, always check that there are no hidden wires or pipes. Ensure that the screws and wall plugs being used are suitable for supporting the unit to be installed. If you are unsure, it is recommended that you contact a suitably qualified tradesperson.

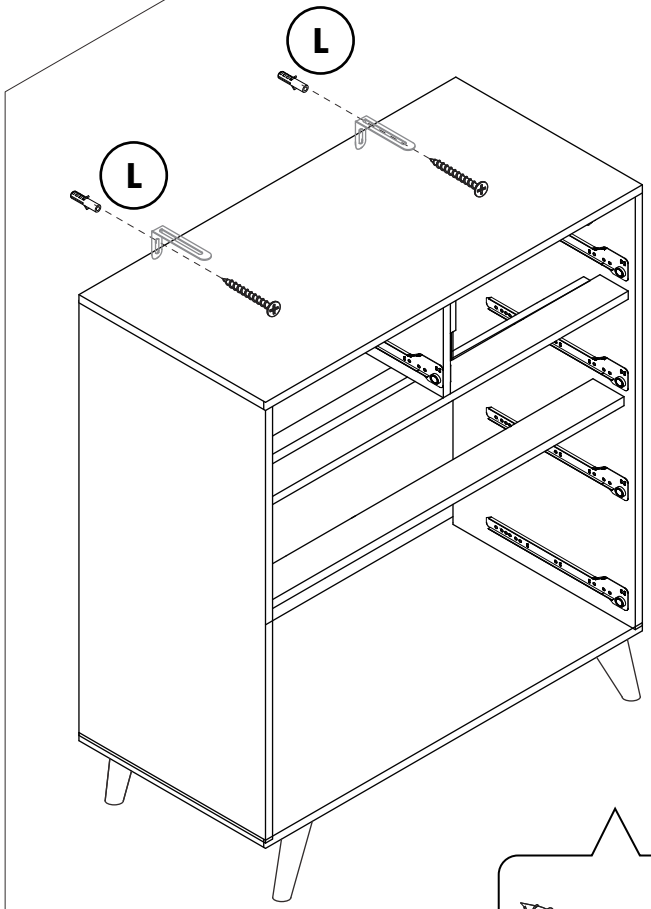

TIPS Ensure you use a recommended drill bit to match the wall plug and hole size. Take extra care when drilling into high walls, ceilings, and ceramic tiles, ensure the wall plug is fitted below the ceramic tile to avoid splitting or cracking. Ensure the wall plugs are well fitted and are a secure fit in the drilled hole.

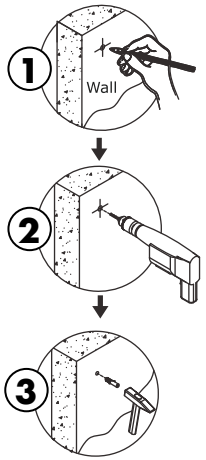

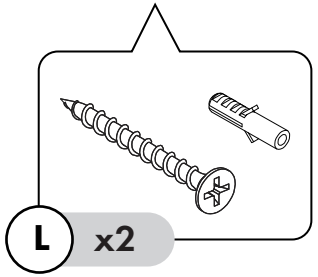

Assembly

Information

Important Safety Notice

This product is not intended for outdoor use. This product is not intended as a climbing structure and it is not a toy. Children should be supervised to ensure that they do not play with the product.
Follow each step of the assembly as outlined by the steps in this Instruction Manual.
Assemble close to the products intended position.
Locate the product in a suitable area where it will not create an obstruction. Locate away from sources of combustion.

Cleaning Maintenance

Do not clean the product with any abrasive cloths or chemicals. Solvents or detergents can cause damage to the surface. Periodically check and re-tightweek following assembly. To clean, sponge down with warm water, a soft cloth and mild detergent. Ensure you have all the pieces listed.

If you are missing any components, contact our customer services department at support@vonhaus.com

DO NOT proceed with assembly if any components are missing.

General Safety

The assembly pack may contain small parts which can pose a choking hazard to children and pets. Place on solid and even ground. Only use in an upright stable position. Do not overload the product as this may result in damage to the product or personal injury.

IMPORTANT! For assembly steps that require multiple screws, screw lightly and do not tighten until all screws are inserted and aligned. Re-tighten fittings every six months.

Do not use power tools to assemble.

Do not climb on.

Always use the anti-tip straps or wall mounts provided to maintain safe product use.

CAUTION: Potential finger trap/pinchment points.
