Clamp Desk Installation

Hole Installation

Assembly

Assembly

Assembly

3

The gas spring is pre-set to minimum tension. Depending on the weight of your monitor, you may need to adjust the tension of the arm with a 6mm Allen key.

Assembly

4

Be sure to keep the arm in a horizontal position during adjustment.

Situation 1: If arm is falling down
Solution: Turn the screw clockwise to increase tension.

Situation 2: If arm is rising up
Solution: Turn the screw clockwise to decrease tension.

Information

Important Safety Notice

This product is **not suitable for use by children** or by individuals with **physical, sensory, or mental impairments** that may limit their ability to operate the equipment safely, **unless** they have been given supervision or instruction concerning the safe use of the product by a person responsible for their safety.

Warning

Gas Spring Arm is under pressure and should be handled with care.
Failure to follow the instructions may result in damage to the mount and or personal injury.

This product has been inspected to meet the specified standards and is allowed to be sold.

This product contains small items that could be a choking hazard if swallowed. **KEEP AWAY FROM CHILDREN UNDER 3 YEARS OLD. ADULT SUPERVISION IS REQUIRED.**

Improper installation, such as using the product for speakers over its load capacity or for any purpose not explicitly specified, may cause damage or serious injury. We would not be liable for any damage or injury caused by improper mounting or inappropriate use.

Before Assembly

Please check and make sure all necessary accessories are included and undamaged.

Please read and understand this manual carefully before installation.

If you are missing any components, contact our customer services department at support@vonhaus.com

Caution and Maintenance

Never allow children to climb, stand, hang or play on any part of the speaker or stand.
This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.
Check that the bracket is secure and safe to use at regular intervals (at least every three months).

Information

Customer Service

If you are having difficulty using this product and require support, please contact support@vonhaus.com

Warranty

To register your product and find out if you qualify for a free extended warranty please go to www.vonhaus.com/warranty

Please retain a proof of purchase receipt or statement as proof of the purchase date.

The warranty only applies if the product is used solely in the manner indicated in the warnings page of this manual, and all other instructions have been followed accurately.

Any abuse of the product or the manner in which it is used will invalidate the warranty.

Returns

Returned goods will not be accepted unless re-packaged in its original packaging and accompanied by a relevant and completed returns form. This does not affect your statutory rights.

No rights are given under this warranty to a person acquiring the appliance second-hand or for commercial or communal use.

Copyright
