

ASSEMBLY INSTRUCTIONS

Parts Enclosed:

- (1) Pedestal
- (2) Bracket
- (3) lampshade Ring
- (4) Bulb
- (5) Lampshade

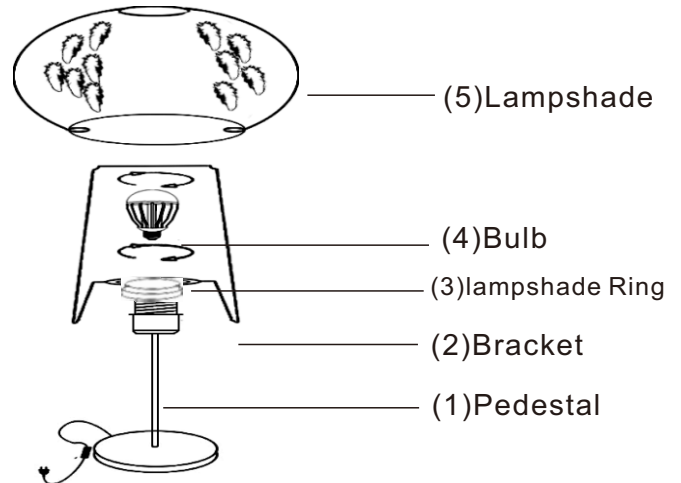

Assembly/User Instructions:

1. First take all the accessories to a flat space and put them down;
2. Follow the steps 1~5 for installation according to the numerical sequence in the right figure of the instruction manual;
3. Put down the base marked with number 1;
4. Put the bracket marked with number 2 on the lamp cap;
5. Screw the plastic ring marked with number 3 onto the lamp cap;
6. Screw the bulb marked with number 4 into the lamp cap;
7. Put the feather lampshade marked with number 5 into the bracket (the side with a bigger hole of the lampshade is at the bottom, and the two legs of the bracket pass through two small holes of the lampshade).

Care Instructions:

1. Please take the lampshade to the outdoor to shake it when unpacking. At this time, there will be feathers falling. Don't worry, it is normal. Just shake off the broken feathers and it will be ok.
2. Never fit a bulb of a higher wattage than those specified on the label.
3. Clean with soft or dry cloth.
4. Always avoid the use of harsh chemical or abrasive cleaners as they may cause damage to the lamp
