BBQ

Warning: Naked flames is strictly prohibited! Do not use wood as fuel!
 When using the barbecue grill, the lid of the grill must be opened.
 The lid can only be closed when barbecue grill has completely cooled down
 after using, otherwise it will easily cause the lid deform and paint off,
 which will affect the appearance and use.

IMPORTANT SAFETY NOTICE AND WARNINGS

Notice:

- 1.Never place more than 2.8kgs charcoal on the firebox when in use.
- 2.Never place more than 5kgs on the front shelf. Do not lean on the front shelf.

Warning:

- 1.Only use this grill on a hard, level, non-combustible, stable surface capable of supporting the weight of the weight of the grill. Never use on wooden or other surfaces that could burn.
- 2.For outdoor use only. Do not operate grill indoors or in an enclosed area.
- 3.We recommend the use of a Charcoal Chimney Starter to avoid the dangers associated with charcoal lighting fluid. If you choose to use charcoal lighting fluid, only use lighting fluid approved for lighting charcoal. Carefully read manufacturer's warnings and instructions on the charcoal lighting fluid safety away from grill.
- 4.Do not use gasoline, kerosene or alcohol for lighting charcoal. Use of any of these or similar products could cause an explosion possibly leading to severe bodily injury.
- 5.Never add charcoal lighting fluid to hot or even warm coals as flashback may occur causing severe burns.
- 6.Please grill in an area where children and pets cannot come into contact with unit. Close supervision is necessary when grill is in use.
- 7.Do not leave grill unattended when in use.
- 8.Do not store or use grill near gasoline or other flammable liquids, gases or where flammable vapors may be present.
- 9.Use caution when adjusting charcoal grate and cooking grate height. Handle may be hot when in use.
- 10.Grill is not when in use. To avoid burns:
 - i)DO NOT attempt to move the grill.
 - ii)Brace grill so the unit does not accidentally move.

M		4PCS Hinge
N		1PCS Small cover

iii) Wear protective gloves or oven mitts.

iv) DO NOT touch any hot grill surfaces.

v) DO NOT wear loose clothing or allow hair to come in contact with grill.

11. Do not exceed a temperature of 350°C. Do not allow charcoal and/or wood to rest on the walls of grill. Doing so will greatly reduce the life of the metal and finish of your grill.

12. Never leave coals and ashes in grill unattended. Before grill can be left unattended, remaining coals and ashes must be removed from grill. Use caution to protect yourself and property. Carefully place remaining coals and ashes in non-combustible metal container and saturate completely with water. Allow coals and water to remain in metal container 24 hours prior to disposing.

13. After each use, clean the grill thoroughly and apply a light coating of vegetable oil to interior to prevent rusting.

14. Store the grill out of reach children and in a dry location when not in use.

15. Remove all stickers and labels before first use.

16. Properly dispose of all packaging material.

17. Recommendation that the barbecue shall be heated up and the fuel kept red hot for at least 30 min prior to the first cooking on the barbecue.

18. The offset firebox only used for smoking not for barbecue.
