INFORMATION

This product is designed for to hold a combined weight of 5KG across the top. Do not exceed this weight.

Due to the size of this product we recommend that it is assembled in the room intended for use.
When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
Check the pack and make sure you have all the parts listed .
Ensure that this product is fully assembled as illustrated before use.
Check all screws or bolts are tightened and inspect regularly.
This product should only be used on firm, level ground.
Keep small parts out of reach of children.
Make sure the legs remain in contact with the ground.
Tools not included.

WARNINGS

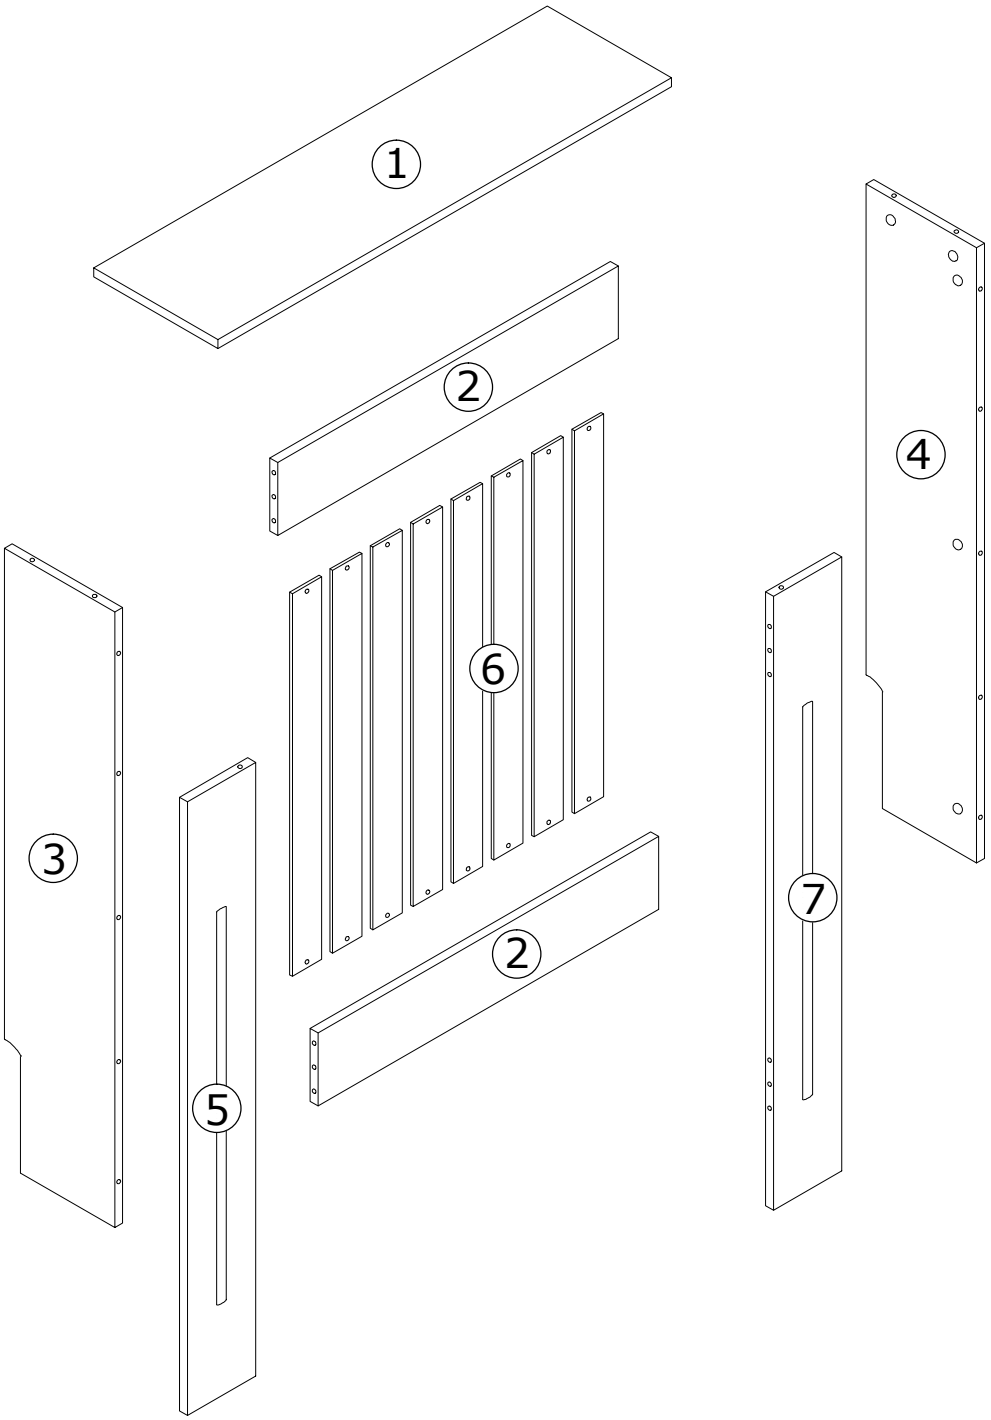

DO NOT use power tools to construct this product.
DO NOT over tighten screws or bolts.
DO NOT use this product if parts are missing, damaged or worn.
DO NOT stand on the product.
DO NOT place very hot or very cold items on the surface unless adequately thick table mats are use to prevent such items damaging your table top.
We recommend the use of the wall brackets provided for safety reasons.
The wall plugs provided are for a solid wall only. Suitable fixings for your wall type must be obtained separately.
If in doubt please consult a qualified trade person.
Always ensure the area to be drilled is free from hidden electrical wires, water and gas pipes.

CARE INFORMATION

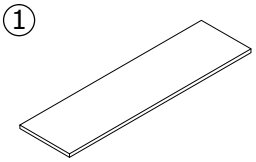

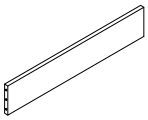

Never use scourers, abrasives or chemical cleaners.

To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product.
