CRUE 5 TIER SHELVING UNIT ASSEMBLY INSTRUCTIONS

IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

- This product is designed to hold 10Kg per shelf evenly spread. Do not exceed this weight.
- We recommend that this unit is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly
- Tools not included unless specified in parts list.

WARNINGS

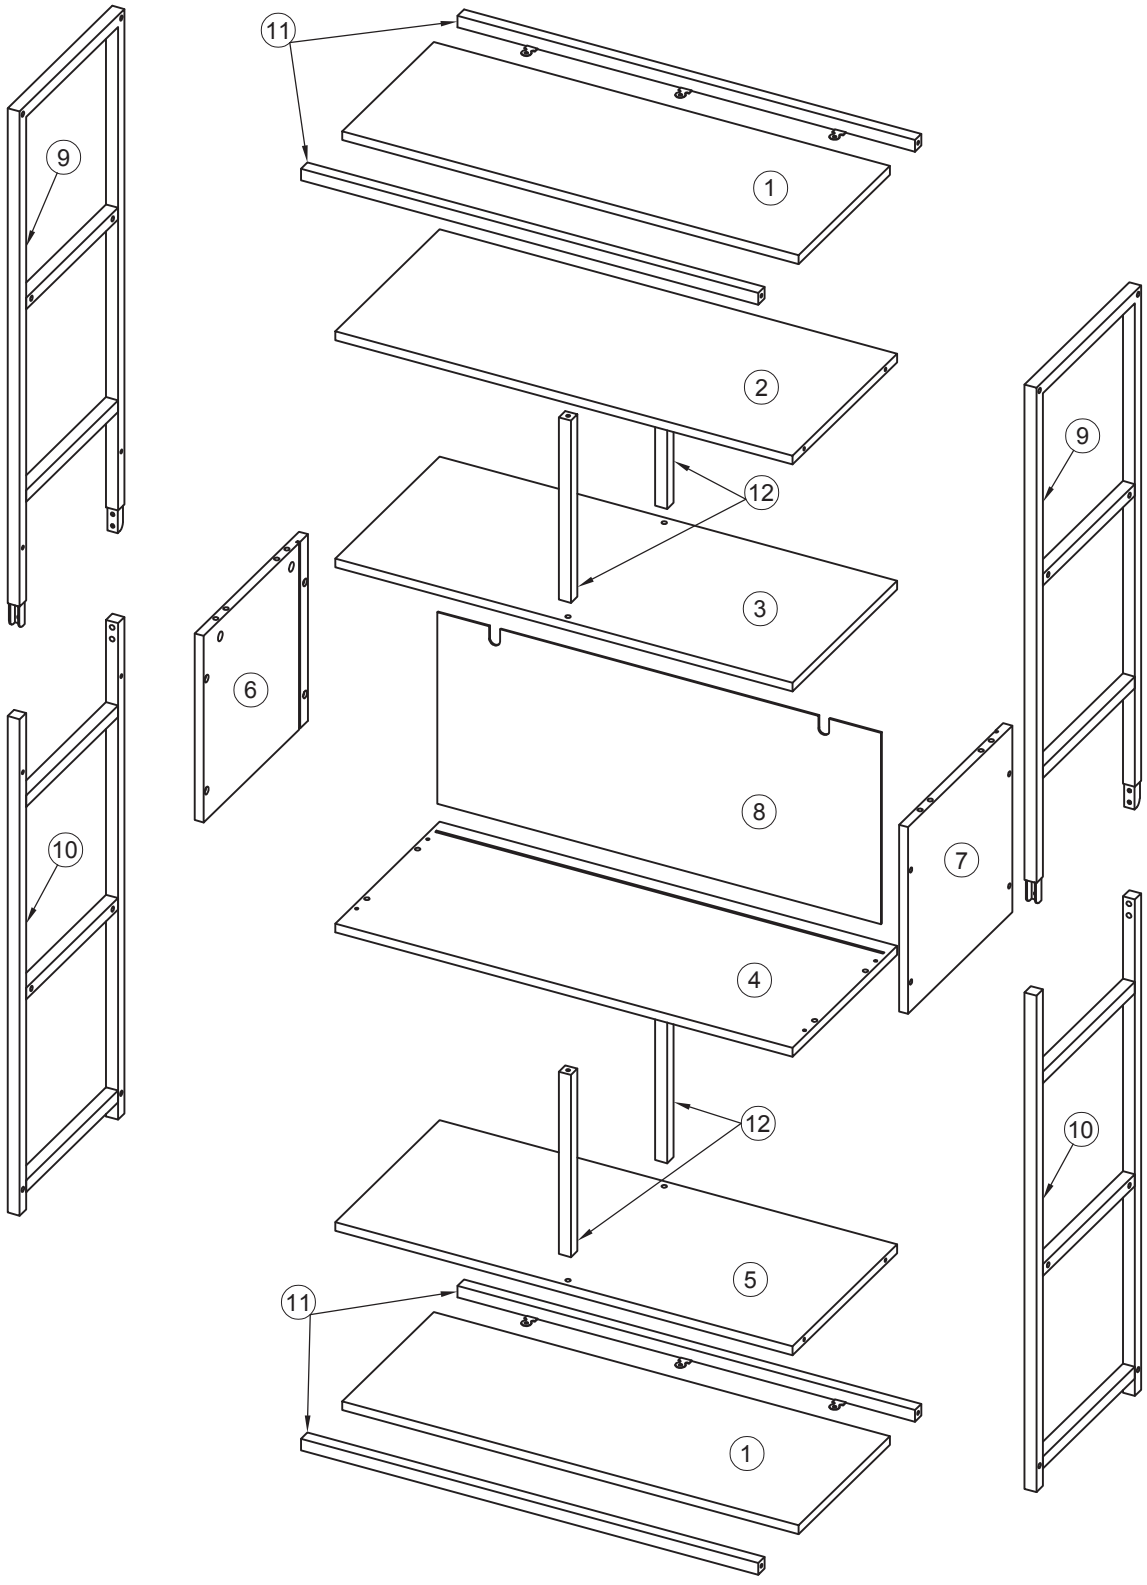

- This product should only be used on a firm and level floor.
- Keep small parts out of reach of children.
- Make sure the base remain in contact with the floor.
- DO NOT use power tools to construct this product.
- DO NOT tighten screws until parts are assembled or as advised in this guide.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT sit or stand on the product.
- **This is a slim unit so, for safety, it is designed to fix to the wall securely using the metal anti-tilt brackets (N). These are to prevent the cabinet tipping over and causing damage or an accident. It is essential for the safety of you and your children, the cabinet is not free-standing.**
- **N.B. When drilling the wall to fix the Anti-tilt bracket, always be sure the area to be drilled is free from hidden electrical wiring, gas or water pipes .**
- **Carefully assess the suitability of the wall to ensure that the fastening device will withstand the load and forces generated.**
- **Walls can be quite different in construction so fixings are not supplied - choose the most suitable fixing for your wall type - if in doubt consult an expert.**

CARE INFORMATION

- Never use scourers, abrasives or chemical cleaners.
- To clean, wipe with a damp cloth.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.

Parts and Fittings Checklist

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer. The fittings pack contains small items that should be kept away from small children.
