PLEASE READ this sheet prior to assembly to familiarize yourself with the various stages of construction.

Carefully open the pack supplied and check the contents against the parts and fittings check list. Do not destroy any of the packaging until you are certain that you have all the necessary parts for the assembly.

CAUTION：There are small components used in the construction of this unit. These loose items should be kept away from young children whilst assembling your unit to avoid the danger of choking hazards.

Tools Required

IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

Due to the size of this product we recommend that it is assembled in the room intended for use.
When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
Check the pack and make sure you have all the parts listed.
Ensure that this product is fully assembled as illustrated before use.
Check all screws or bolts are tightened and inspect regularly
This product should only be used on firm, level ground.
Keep small parts out of reach of children.
Make sure the legs remain in contact with the ground.
Tools not included.

WARNINGS

DO NOT use power tools to construct this product.

DO NOT over tighten screws or bolts.

DO NOT use this product if parts are missing, damaged or worn.

DO NOT stand on the product.

DO NOT place very hot or very cold items on the surface unless adequately thick tablemats are used to prevent such items damaging your dresser top

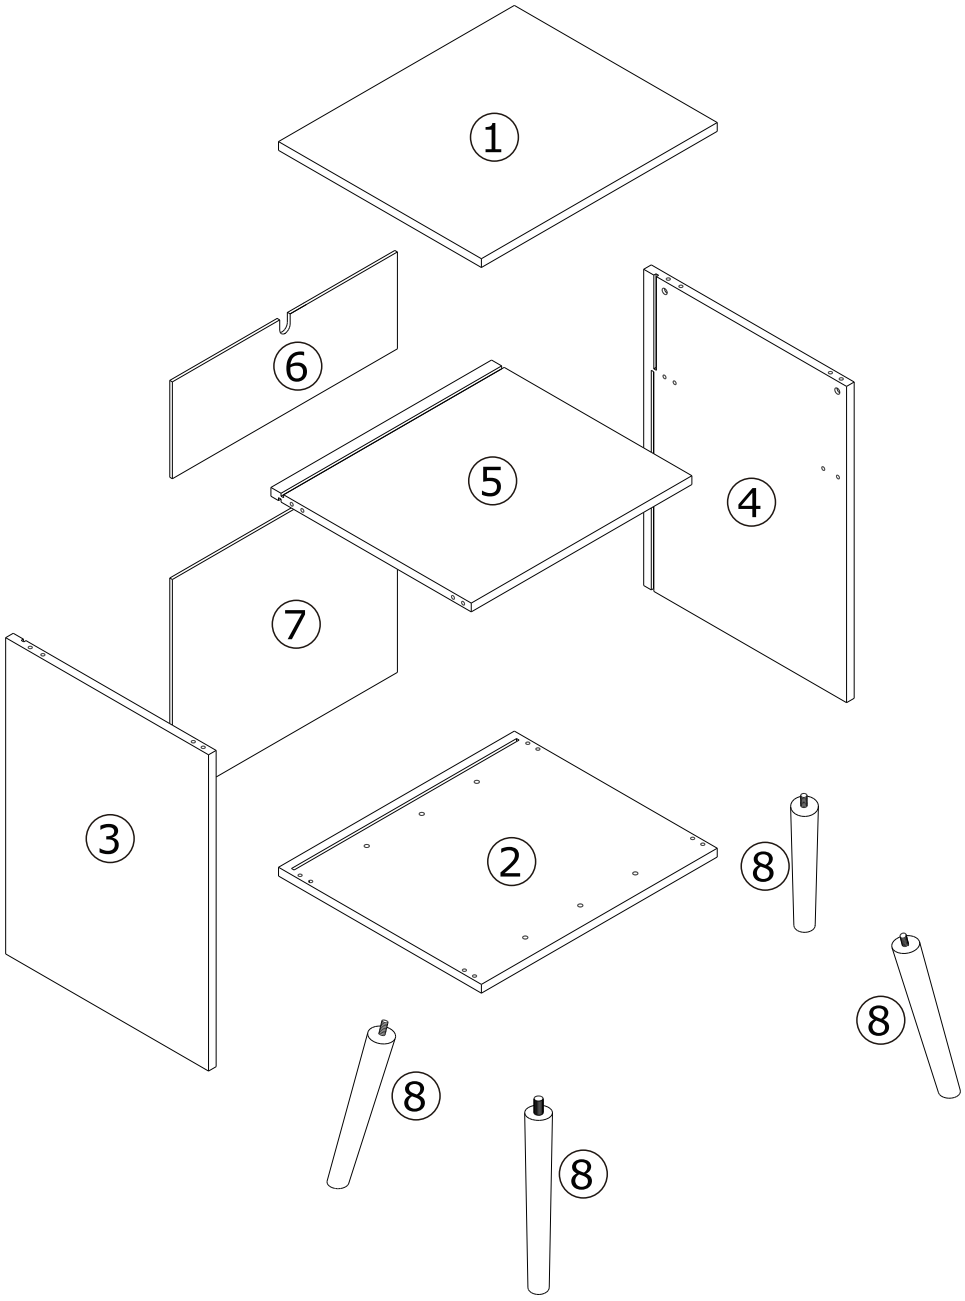

We recommend the use of the wall safety bracket provided for safety reasons.
N.B. wall fixings suitable for a solid wall are included although the wall plug provided may not be suitable for other types of walls such as hollow walls.
Fixings suitable for your wall types must be obtained separately.
If in doubt please consult a qualified trade person.
Always ensure the area to be drilled is free from hidden electrical wires, water and gas pipes.

CARE INFORMATION

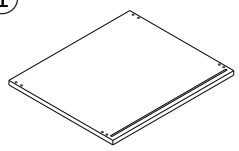

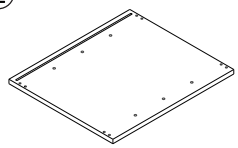

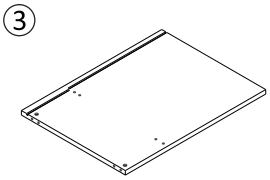

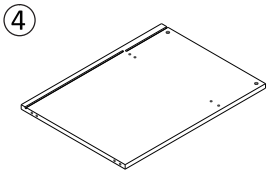

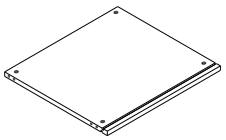

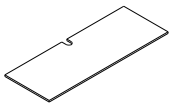

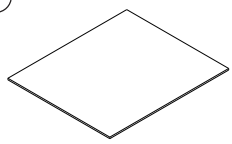

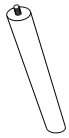

Never use scourers, abrasives or chemical cleaners.

To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product.
